SINK DIMENSIONS (INCHES)

UN 610

Minimum Cabinet Size	23"
Ship Weight	12 Lbs.

Installer Notes: Ukinox always recommends that you give the sink to the granite fabricator. If you are going to use a cutting board, provide that to the fabricator as well. Please note that we do include a template with each sink, but there can always be a slight variation. In addition, many of our templates are perforated so you can tear off the perforation for cutting board applications.

*Template and countertop mounting clips are packed with every sink

Ukinox reserves the right to change product specifications without notice.
