Description

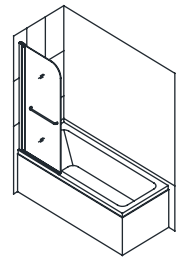

The DreamLine AquaSwing is a frameless pivot tub screen door with a contemporary European flair to enhance the appearance of your bathroom. The design offers a clean, elegant and open look to complement your décor. Clean lines and a continuous hinge of the AquaSwing add style and create an open, inviting shower space. Choose DreamLine for the ultimate solution for your shower project!

Features

- Continuous self-centering pivot allows rotation into and out of the bathtub
- Configuration consists of Single Panel Door and an optional Extender or Return panel
- Frameless glass design for an unobstructed look
- Reversible for a right or left door opening to fit your specific layout
- Convenient towel bar handle
- Anodized aluminum wall profile allows up to 3/8" adjustment for out-of-plumb (uneven walls)
- Quality 1/4" (6mm) thick ANSI certified clear tempered glass
- Available in Chrome Finish
- **Professional installation recommended**
